Thank You

We are grateful to **Steve Connoly** and his family at **ATS** who are the major funders of **84 Christmas Wreaths** on **Dorchester Avenue** and **Boston Street**.

We thank **Carolanne McDonnell** of **Creative Wrappings** for making the bows.

We acknowledge the small band of neighbors and friends who generously donated their time, energy, skills, and climbed ladders to place and secure Christmas Wreaths on 84 light posts on the Polish Triangle stretch of Dorchester Avenue, Boston Street from Columbia Road to Washburn Street and the Sharon's Park stretch of Mount Vernon Street. The wreaths look fabulous thanks to everyone who pitched in, including **Alexander, Anne, Annie, Brian, Desmond, John, Juliu, Lee, Matt, Mike** and **Millie**.

We thank **Mayor Martin J. Walsh**, all businesses, groups and individuals who generously supported the **Christmas Tree Lighting** at **Saint Teresa of Calcutta Parish** on November 25. This includes **Saint Teresa of Calcutta Parish**

Children's Choir under the leadership of **Michelle McCourt**, director of **N.C.T of Boston**, **Reverend John J. Ronaghan** and **John Gillespie** of **Dunkin Donuts**.

Dot Groups Seek More Knowledge on Cannabis Impact

Dorchester community groups including the **John W. McCormack Civic Association** are seeking a better understanding of the impact of marijuana establishments on our neighborhoods. They are asking for a seat at the table with the **State's Cannabis Control Commission** as well as with the **City of Boston's Office of Emerging Industries** so that accurate information can be shared with neighborhood residents. These community groups want a voice in the decisions being made, and they want to be heard as the regulations for this new industry are being developed. We thank **Marti Glynn**, a **Hancock Street Civic Association** member who is the facilitator for this new group.

Please pay your dues! \$5 or \$10
